

Monthly Ministry Update

Brent Lacy
Rural Ministry Specialist
Great Lakes Region

November 10-13, I was blessed to take part in the Accelerate Student Ministry Summit in Plano, Texas with 200 other ministry leaders from 60 different ministries dedicated to one purpose - ***Every Student. Every School.*** ***All of them reached with the Gospel of Christ.***

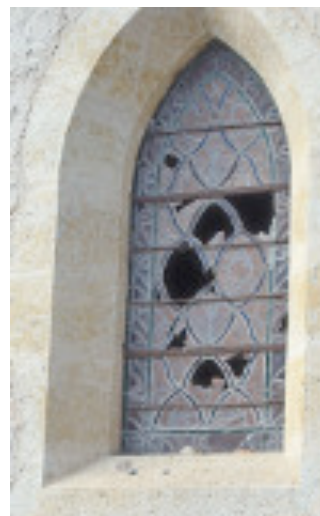

We cannot do this alone. National Network of Youth Ministries is partnering with Campus Alliance to equip and mobilize students, youth leaders, and community leaders to spread the message of Christ to over 66,000 Jr High and High School campuses all across America.

We didn't know...

The other day, I spoke with a man who serves as an elder of a church in Illinois, and shared about how NNYM serves youth workers through networking for Kingdom growth. He replied, "If we had only known about your ministry, we would still have our previous youth pastor".

In a time of church leadership transition, the youth pastor was working as a lonely, isolated youth worker, and made some poor choices that led to his dismissal.

NNYM is here to serve youth leaders. We work to build healthy youth workers that can reach more students for Christ!

Youth Encounter 2014 and NNYM!

December 29-30 I will be partnering with the Illinois State Baptist Association for Youth Encounter 2014. This conference has a special place in my heart. This conference has a special place in my heart. This is one of the first large youth gatherings I was able to attend as a rural teenager in Southern Illinois. It was during that time I got a taste of worship and teaching together with a large group of other students. I believe that God used those trips to plant into me what later became a call to ministry and desire to serve in missions.

This year I will be teaching two breakout sessions for the youth leaders called "Healthy Youth Leaders Do this: ____". Please join me in prayer for the youth leaders that will be in attendance. My prayer is that during the training sessions God truly shows them what He wants to heal in their lives to make them more healthy servants in His Kingdom.

It's Go Time!

It's been a wild adventure so far with NNYM and I am just getting started. It has been great to meet so many people that are serving Christ in their local churches and communities. I am so thankful and blessed by your prayer and financial support.

We cannot do this without you, we are Better Together!
